

“

This space, the people in this space, they refine me to be and think the way I do. It was always within me. And they helped me get it out of me. This person. So yes... Freedom House has impacted and influenced me in every way.”

“

Freedom House made this space for me to be who I'm meant to be. So this space, the people in this space, they refine me to be and think the way I do.”
