

Maybe more things
needed to be promoted
to and by people. Sometimes
they might just need an
understanding.

Gigi

"Well just tried to promote
them among the black
people try to get us to
understand what unions
were. You know. And that's
Sargent Shriver, He gave
me that."

MAC: Well, just tried to promote them among the black people, try to
get us to understand what unions were, you know. And that's
Sargent Shriver, he gave me that.

What I think
is they basically were
trying to get a understanding
& promote more to the black
people.

she inspired
me to help
out more &
basically to
support and
promote
